Notes/Action Items For Student:

We will talk again in EARLY fall semester.

1. Most applications open July 1st. Stay on top of the dates and information for all applications.

2. Your grade level will change in July from 11th to 12th. Be sure to do Naviance tasks after mid-July when Skyward and Naviance roll to senior year status.

3. Check your SBISD.ORG and Skyward email often for important information.

4. Remember, it is **your responsibility** to ensure all application(s) and necessary documents are complete for each institution or scholarship. ***See or email your counselor if you have questions.***

It is *HIGHLY suggested* that if you have questions about any institution/university, that you call them DIRECTLY and ask any questions. A google search for Houston Area Representative or Admissions office of any institution will show the contact information.

□ I understand that I must meet ALL STATE GRADUATION REQUIREMENTS in order to be able to participate in the commencement ceremony and graduate next year. After I have been officially certified as a candidate for graduation, I will receive my diploma confirming completion.

□ I have reviewed the above information with my counselor and will share the information with my parents.
