

Parent Brag Sheet

Student Name

Student SBISD ID Number

Your Name

Your preferred contact information

Is this your first time supporting a student through the college process in the United States?

If you have pursued post-secondary education (college/university degree, technical training/certification, etc.) please select from the following? In United States, Outside of the United States

If your student will not be the first in the family to pursue post-secondary education please list the institutions and degrees you, your children, and/or immediate family members have attained.

Has your student encountered a significant life experience that has influenced their perspectives, maturity, personal development, or personality, etc.?

If so, please describe that experience and share if or how it has impacted their academic record and/or educational experience.

What three words would you use to best describe your student personally and why?

What three words would you use to best describe your student academically and why?

How do you think your student's teachers and/or counselor perceive your student?

What is your vision related to your student's post-secondary pursuits? What do you think is the best-fit? (Feel free to describe a type of institution, student body size, location, programs offered, public/private/technical, etc.)

What do you consider to be your student's outstanding accomplishments (academic, extra-curricular, community, personal, etc.)

Is there anything else you'd like your student's counselor to know (not already captured above) that would provide further insight into who your child is and has the potential to become? If so, please describe.
